The James Madison Memorial Fellowship Foundation in association with the ANA is proud to present the FREEDOM PACK™ - a limited edition, serially numbered 1993 Bill of Rights Silver Half Dollar.

A portion of the reeding on the coin's edge will be delicately shaved away to allow your unique serial number and the initials of the ANA and the James Madison Foundation to be incused on the coin. A specially designed blister pack, which features a signed certificate of authenticity, will allow you to easily view the edge marking.

This is the first time since the Stone Mountain Memorial Half Dollars of 1925 that a sponsoring organization has authorized an independent numbering of a U.S. commemorative coin. This, plus the fact that coins will be available for ordering at this special price only until October 15, 1993, assures that the FREEDOM PACK™ will be a distinctive and desirable addition to your collection.

But you must act quickly. Orders will be filled on first-come first-serve basis. So order your FREEDOM PACK™ today.

ORDER ACCEPTANCE OPENS: JULY 28, 1993.

COINS ORDERED AFTER OCTOBER 15, 1993 WILL BE PRICED AT \$26.95.
